Family Activity Trail

Kingsbridge

Information Centre

This trail guide has been created by Wendy Rees and Fiona Woolmer. Stevie Rogers, Ash Tree Farm & Nursery, inspired us to celebrate our Head of Estuary Tree Collection, which is maintained by South Hams District Council. A debt of gratitude is due to Simon Toomer, Curator, National Arboretum, Westonbirt, whose support and detailed advice made this project possible. Supported by the South Devon AONB Sustainable Development Fund and printed by Nick Walker Printing Ltd.
